

Authorization to Apply Federal Student Aid

By signing this form, I authorize St. Gregory's University – College for Working Adults to apply the proceeds from my Financial Aid disbursements toward my tuition for the classes scheduled during this enrollment period. I understand this will allow me to defer payment for my tuition. This deferred status will terminate when the University receives my Financial Aid funds, or if I am determined to be ineligible to receive Financial Aid.

Even if I am eligible to receive Financial Aid or if the available Financial Aid funds do not cover the costs of tuition and associated fees for this loan period, I understand that I am ultimately responsible for all incurred expenses. I will, therefore, pay any charges not covered by financial aid.

YES or NO? Mark (☑) each box to indicate your answer. We will assume any blanks equal a "No."

- 1) Title IV student financial aid funds and/or state funded student assistance may be applied to all open allowable charges, including administrative fees and charges for this loan period and/or grant payment period.
- 2) Title IV student financial aid funds and/or state funded student assistance may be applied to estimated future tuition charges and resource fees for the loan period and/or grant payment period.
- 3) Title IV student financial aid funds and/or state funded student assistance may be applied to my University account for outstanding charges incurred prior to this loan period and/or grant payment period.

I understand that if I do not authorize the above that 1) the University will still retain federal funds to pay for current outstanding institutional charges, to include tuition charges, resource fees, and graduation fees; and 2) subsequent to the University disbursing aid, I will need to pay for future courses before beginning class. By signing this form I verify that all the information reported on this form is true and correct.
